Review and update School Emergency Plan

Training took place for teachers where they received guidance and a flipbook that outlines procedures. DIRS, an online system is also used during an emergency. Bryant also has an Emergency Plan that includes all contact information, relocation sights (primary: one field, secondary: front of building, off sight: Wasatch).

Parents asked if there is an app that includes this information. It is a high priority to create/provide a culture of safety. This includes students feeling knowledgeable and safe to approach appropriate people in school to return concerns. The information should be provided on the website and Facebook. Larry will check on additional information available for formal communication to parents.

## Administration Update

Delta Wings trip was awesome! Because of the Today Show, Delta has been receiving calls from numerous schools now that are interested in participating.

The honing pigeon group is having success while training pigeons. The racing pigeon society wants to work with Bryant as well. The project is expanding.

All 8<sup>th</sup> graders went out to Antelope Island on a field trip this week where students experienced the lake using stations. Mr. Good took the lead on

NATA conference is in town and all science teachers from Bryant and SLCSC have/are attending Thursday and Friday.

PTA Food Pantry is going well. It has improved in organization and cleanliness. The volunteers are taking pride in making the process dignified. 223 people were served in September, 587 served in October. Rules have been provided to the volunteers to help them support distribution. Food is never limited, but some hygiene projects are limited. The November signup will be sent out soon. You can link to the What'sApp Group by contacting Nidia at 801-889-5031.

The SL Education Foundation has provided a \$1,500 grant to the Folkloric Dance group. Multicultural Show will be on May 14, 2020, in school on May 15, 2020. They will also present at Washington Elementary with the dance class at Bryant. Students are engaged and having a good experience.

PTA is trying to recruit more volunteers in the classroom.
