Welcome

Approve minutes from January meeting: Julie Lewis motion to approve, Michael Hughes 2nd, all approved.

Land Trust: due in March

Larry presented data comparing the 2018-19 student data for those who were in the teaming (math/science) classrooms to those who were not. RISE data showed higher performance in ELA, Math, and Science for students in the teaming classrooms. Strong teaming in math and science continues for whole school currently. Faculty has had conversations about where to put Land Trust funds and determined they would like to use the funds to support staff.

Special permits for next year will all be accepted because they know they will not all end up at Bryant. It is possible for Bryant to house up to 480 students, but it would begin to stress the electives.

Essence of goal would be to use Land Trust funds to support faculty for teaming model: Suyin Chong motioned, Julie Lewis 2nd, all approved to move forward with this plan, as well as noting any potential extra funds go toward supporting teaming.

Review Student Success Plan

The School culture goal included a 20% reduction on office referrals. Matt Smith reported Bryant is currently down by 40%. This is attributed to teaming and the social/emotional learning support. Bryant is still trying to gain a better grasp on tier one supports on SEL. Last year Second Steps was used, but it did not feel authentic. It has been requested that teams work together to determine which concepts are most applicable to their students. They began using habits of mind, currently persistence and resiliency in social studies, to support students. A survey is in the works to gather data from teachers about SEL, including what is being done that is positive.

Bryant had highest growth in the district in RI scores for all Reading students. WIDA test was completed 2/20/20. Data to come in May.

Bryant Name Change

Received 190 surveys. 85% approved name change. Renaming Committee moved to officially change the name to SLCSE Bryant by Julie Lewis, 2nd by Dawn Ann Bullough. All approved vote.

The process for name change will be taken to the School Board for approval.
